# DEPARTMENT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

| S.No. | Faculty Name & Designation | Name of the Journals | Category I / II | Author ship (1st / 2nd / 3rd etc.) | Year of Public ation | Points |
|---|---|---|---|---|---|---|
| 1 | **Dr. Yogesh Kumar** | **1.** Endodontics Miscellany: Connation or Double tooth(ENDODONTOLOGY JUNE 1998 VOL 10 ISSUE 1) | I | 1st | 1998 | 15 |
| | **Director Principal & Professor and HOD** | **2.** Endodontic Miscellany: Mandibular Bicuspids- Unusual root and root -canal morphology (ENDODONTOLOGY Dec 1998 VOL 10 ISSUE 2) | I | 1st | 1998 | 15 |
| | | **3.** Cleido-cranial Dysplasia: A case report(Journal of International College of Dentists 1998 Vol 44) | I | 1st | 1998 | 15 |
| | | **4.** Generalized Odontodysplasia – A Case report (Journal of Indian Society of Pedodontics& Preventive Dentistry 1998 Vol 16: 2: 40-43) | I | 2nd | 1998 | 7.5 |
| | | **5.** Endodontic Miscellany: Mandibular second molar with three roots - A casereport(Endodontology JUNE 1999 VOL 2 ISSUE 1) | I | 1st | 1999 | 15 |
| | | **6.** Changing trends in the management of endodontically treated teeth (Journal of International College of Dentists 1999 Vol 46) | I | 1st | 1999 | 15 |
| | | **7.** Transmigration of Mandibular canine: report of two case(Journal of International College of Dentists 1999 Vol 45) | I | 1st | 1999 | 15 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **8.** Ameloblastic Fibroma of Mandible Mimicking a Lateral Periodontal Cyst. (JIDA 1999 Vol 70) | II | 2nd | 1999 | 2.5 |
| | | **9.** Endodontic Miscellany: 1. Hemisection and full coverage to relieve crowding and lingual displacement of a pulpo - periodontally involved mandibular first molar. (Endodontology Dec. 2000) | I | 2nd | 2000 | 7.5 |
| | | **10.** JuxtacorticalOsteogenic Sarcoma of Mandible : A case report (Indian Journal of Dental Research, April -June 2000 Vol 11 No. 2) | I | 2nd | 2000 | 7.5 |
| | | **11.** Mesiodens: A retrospective study of fifty teeth ( Journal of Indian Society of Pedodontics and preventive Dentistry 2000, 18:4, 144 -146) | I | 2nd | 2000 | 7.5 |
| | | **12.** Zimmermann-Laband syndrome with bilateral developmental cataract – a new association? (International Journal of Paediatrics Dentistry 2004: 14: 78 to 85) | I | 2nd | 2004 | 7.5 |
| | | **13.** Intranasal tooth as a complication of cleft lip and alveolus in a four year old child: case report and literature review (International Journal of Paediatric dentistry 2001: 11:221-224) | I | 1st | 2001 | 15 |
| | | **14.** Xerostomia- Clinical Manifestation and its Management (BFUDJ, Vol 2 Number 2 October, 2011) | I | 2nd | 2011 | 7.5 |
| | | **15.** Chronic Long Standing Dislocation of Temporomandibular Joint The Role of Conservative Methods - Our experience (BFUDJ, Vol 2 Number 2 October, 2011) | 1 | 4th | 2011 | 7.5 |
| | | **16.** A Survey on Awareness of Oral Cancer among Undergraduate Medical and Dental Students of Gujarat and Punjab (Indian Journal of Public Health Research and Development) | I | 4th | 2012 | 2.5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **17.** Complete mouth rehabilitation -a clinical report. BFUDJ,vol 4,. 1 Feb 2o13. | I | 5TH | 2013 | 7.5 |
| | | **18.** Bilateral Radix Entomolaris : A Rare Case Report.Indian Journal Of ContamporaryDentistry.jan-june 2013 vol 1,no.1. | II | 3RD | 2013 | 2.5 |
| | | **19.** Restore The Natural :Hemisection as an alternative treatment for decayed mandibular molar. JOUD , Jan – june 2013 ; 2 (1) : 24-27. | II | 2ND | 2013 | 2.5 |
| | | **20.** Surprises Come in small packages: Nanodentistry. JOUD Jan -June 2013 2(1) : 10-13. | II | 3RD | 2013 | 2.5 |
| | | **21.** Socioeconomic status of the family and caries experience among 2 -6 years old preschool children of Lucknow city, India. International journal of dental science and research I (2013)12-15. | II | 5TH | 2013 | 2.5 |
| | | **22.** Salivary biomarker for periodontal diseases-A review.Bangladesh Journal of Medical Science vol no 12,03 July 2013. | I | 3RD | 2013 | 7.5 |
| | | **23.** Unusal anatomy of maxillary first molar with two palatal roots-confirmed with Computed Tomography:A case report.IJRD issue2,2013 | II | 2ND | 2013 | 2.5 |
| | | **24.** Pre-endodontic core build-up treatment options for management of badly mutilated tooth:casereport.JOUD Jul-Dec 2013,14-15. | II | 2ND | 2013 | 2.5 |
| | | **25.** A study on in vitro to measure the shear bond strength of glass inomer cement bound to MTA. Bangladesh Journal of Dental Research & Education. Vol4(1) Jan 2014; 01-3. | I | 3rd | 2014 | 7.5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **26.** Human pappiloma virus as a riski factor for head and neck squamous cell carcinoma. BFUDJ vol5(1) Feb 2014 | I | 5th | 2014 | 7.5 |
| | | **27.** Surgical management of infected radicular cyst with recurrent intraoral sinus- Acase report. JOUD mar- Apr 2014;3(1):24-6 | II | 2nd | 2014 | 2.5 |
| | | **28.** Management of blunderbuss canal-a case report. JOUD July-Dec 2014; 3(2): 31-32 | II | 2nd | 2014 | 2.5 |
| | | **29.** Biological Restoration-A case report .JOUD July-Dec 2014;3(2):25-26 | II | 2nd | 2014 | 2.5 |
| | | **30.** Comparative evaluation of the amount of debris and irrigants extruded apically by different irrigating needles- an in-vitro study. Journal of advanced Medical and Dental sciences Research Jan-Mar 2015;3(1):45-50 | II | 3rd | 2015 | 2.5 |
| | | **31.** Immediate single visit natural tooth pontic: a case report. Int J Dent HEALTH Sci 2015;2(1):241-247 | II | 1ST | 2015 | 5 |
| | | **32.** Reconstruction of a non-vital tooth with direct fibre re-inforced composite resin.JOUD, July- dec 2015,4(2),31-33 | II | 2ND | 2015 | 2.5 |
| | | **33.** A combined approach to restore a fractured tooth.reattachment and composite veneering.JOUD,july-dec,2015,4(2),44-45 | II | 4TH | 2015 | 2.5 |
| | | **34.** Comparitive Evaluation of effect of different enamel preparations on fracture resistance of composite resin buildup of fractures involving dentine in anterior human teeth.JOUD 2015 | II | 2ND | 2015 | 2.5 |
| | | **35.** Expecting the unexpected: Maxillary first molar with 5 canals- 2 case reports.Jclin Dent Res Edu,april-june 2015 | I | 2ND | 2015 | 7.5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **36.** A comparative evaluation of antibacterial efficacy of conventional and herbal intracanal medicaments against enterococcus faecalis,streptococcusmutans and staphylococcus aureus.National research denticon,vol 4,no-2, april-june 2015 | I | 2ND | 2015 | 7.5 |
| | | **37.** A comparative evaluation of antibacterial efficacy of conventional intracanal medicaments and medicated guttapercha points at different time intervals against E.Faecalis : an in –vitro study.European Journal Of Biomedical And Pharmaceutical Sciences.2016,vol 3.issue 4,219-225. | I | 3rd | 2016 | 7.5 |
| | | **38.** The incidence of dentinal microcracks caused by hand versus different rotary instruments after biochemical preparation :an in –vitro study.World journal of pharmaceutical and Life sciences,2016,vol 2, issue 2,145-153 | I | 3 | 2016 | 7.5 |
| | | **39.** An invitro comparative evaluation of sealing ability of resin modified glass inomer cement, mineral trioxide aggregate and biodentine as a furcation repair material: Analysis by confocal laser microscopy.JDMS,VOL 15,Issue 3,mar 2016,pp 26-30 | I | 1st | 2016 | 15 |
| | | **40.** Apical extrusion of debris and irrigants: An unavoidable and inherent occurrence during root canal treatment: A Literature Review. JDMS VOL 15,ISSUE 3,MAR 2016, PP 16-20. | I | 1ST | 2016 | 15 |
| | | **41.** A comparative evaluation of water absorption of three different esthetic restorative materials- an in vitro study.JDMS,VOL 15,issue 3, mar 2016, pp21-24 | I | 1ST | 2016 | 15 |
| | | **42.** Diastema closure with all ceramic restorations : a case report .ejbps,2016,vol 3,issue3, 595-597. | I | 1ST | 2016 | 15 |
| | | **43.** Comparision of the cleaning efficacy of various rotary files protaperuniversal,hero shaper, revo-s and mtwo systems in the paical third of oval shaped canals.ejbps,2016,vol3,issue 3,151-155 | I | 1ST | 2016 | 15 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **TOTAL POINTS** | | | | **338** |
| | | | | | | |
| 2. | **Dr. Neetu Jindal** | **1**. Management of Acute Dental trauma – Avulsion and Extrucsive Luxation : A Case Report (Journal of Clinical and Diganostic Research vol 4 2010) | I | 2nd | 2010 | 7.5 |
| | **Professor** | **2**. Effect of different placement techniques on marginal microleakage of deep class -II cavities restored with two composite resin formulations (Journal of Conservative Denitstry-2010 Volume 13 Issue 1 Page 9 - 15) | I | 4th | 2010 | 7.5 |
| | | **3**. An Aesthetic Alternative - Tooth Fragment Reattachment - A case report (JCDR doi: 1014 (published on line first 13 th June 2010) | I | 1st | 2010 | 15 |
| | | **4**. Endodontic consideration for the usage of drugs in pregnant mothers. (Journal of Clinical and Diganostic Research) Vol 4 2010 | I | 3rd | 2010 | 7.5 |
| | | **5.** Xerostomia- Clinical Manifestation and its Management (BFUDJ, Vol 2 Number 2 October, 2011) | I | 1st | 2011 | 15 |
| | | **6**. Restoring Normal Occlusion and Function In A Severely Attrited, Out Dentition – A Case Report (The Internet Journal of Dental Science – 2011 vol. 9, No. 2 Page 1 to6) | I | 3rd | 2011 | 7.5 |
| | | **7**. Surgical Extrusion of Intruded mature permanent central incisor with a splinting length of four weeks : Report of a case with one year follow up. (The journal of I Dentistry Vol 7 No. 1 2011) | II | 1st | 2011 | 5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **8**. Fracture resistance of Endodontically treated premolars by various restorative materials – An Invitro study (Indian Journal of Dental Sciences Page no. 7 to 11 | I | 1st | 2011 | 15 |
| | | **9**. Root extrusion, A practical solution in complicated crown root incisior fracture - A case Report. BFUDJ VOL 3,NO.1 Feb 2012. | I | 4th | 2012 | 7.5 |
| | | **10**. Restore The Natural: Hemisection as an alternative treatment for decayed mandibular molar. JOUD, Jan – june2013 ; 2 (1) : 24-27. | II | 3rd | 2013 | 2.5 |
| | | **11.**Pre-endodontic core build -up treatment options for management of badly mutilated tooth:casereport.JOUD Jul-Dec 2013,14-15. | II | 3rd | 2013 | 2.5 |
| | | **12**.Furcal perforation- A case report. Clinical Dentistry, Mumbai. March 2013; 17-19 | II | 3rd | 2013 | 2.5 |
| | | **13.** Surgical management of infected radicular cyst with recurrent intraoral sinus- Acase report. JOUD mar- Apr 2014;3(1):24-6 | II | 3rd | 2014 | 2.5 |
| | | **14**. Biological Restoration-A case report .JOUD July-Dec 2014;3(2):25-26 | II | 3rd | 2014 | 2.5 |
| | | **15**.Management of blunderbuss canal-a case report. JOUD July-Dec 2014; 3(2): 31-32 | II | 3rd | 2014 | 2.5 |
| | | **16.** Comparative evaluation of the amount of debris and irrigants extruded apically by different irrigating needles-an in-vitro study. Journal of advanced Medical and Dental sciences Research Jan-Mar 2015;3(1):45-50 | II | 1st | 2015 | 5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **17.**Immediate single visit natural tooth pontic: a case report. Int J Dent HEALTH Sci 2015;2(1):241-247 | II | 3rd | 2015 | 2.5 |
| | | **18**.Reconstruction of a non-vital tooth with direct fibre re-inforced composite resin.JOUD, July- dec 2015,4(2),31-33 | II | 3rd | 2015 | 2.5 |
| | | **19**.A combined approach to restore a fractured tooth.reattachment and composite veneering.JOUD,july-dec,2015,4(2),44-45 | II | 3rd | 2015 | 2.5 |
| | | **20.**Comparitive Evaluation of effect of different enamel preparations on fracture resistance of composite resin buildup of fractures involving dentine in anterior human teeth.JOUD 2015 | II | 3rd | 2015 | 2.5 |
| | | **21**.A comparative evaluation of antibacterial efficacy of conventional and herbal intracanal medicaments against enterococcus faecalis,streptococcusmutans and staphylococcus aureus.National research denticon,vol 4,no-2, april- june 2015 | I | 4TH | 2015 | 7.5 |
| | | **22**.An evaluation of antibacterial efficacy of conventional intracanal medicaments and medicated guttapercha points at different time intervals against E.Faecalis : an in –vitro study.European Journal Of Biomedical And Pharmaceutical Sciences.2016,vol 3.issue 4,219-225. | I | 1st | 2016 | 15 |
| | | **23**.The incidence of dentinal microcracks caused by hand versus different rotary instruments after biochemical preparation :an in –vitro study.World journal of pharmaceutical and Life sciences,2016,vol 2, issue 2,145-153 | I | 1ST | 2016 | 15 |
| | | **24.**An invitro comparative evaluation of sealing ability of resin modified glass inomer cement, mineral trioxide aggregate and biodentine as a furcation repair material: Analysis by confocal laser microscopy.JDMS,VOL 15,Issue 3,mar 2016,pp 26-30 | I | 3RD | 2016 | 7.5 |
| | | **25**.Apical extrusion of debris and irrigants: An unavoidable and inherent occurrence during root canal treatment: A Literature Review. JDMS VOL 15,ISSUE 3,MAR 2016, PP 16-20. | I | 3RD | 2016 | 7.5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **26**.A comparative evaluation of water absorption of three different esthetic restorative materials- an in vitro study.JDMS,VOL 15,issue 3, mar 2016, pp21-24 | I | 3RD | 2016 | 7.5 |
| | | **27**.Diastema closure with all ceramic restorations : a case report .ejbps,2016,vol 3,issue3, 595-597. | I | 3RD | 2016 | 7.5 |
| | | **28.**Comparision of the cleaning efficacy of various rotary files protaperuniversal,hero shaper, revo-s and mtwo systems in the paical third of oval shaped canals.ejbps,2016,vol3,issue 3,151-155 | I | 3RD | 2016 | 7.5 |
| | | **TOTAL POINTS** | | | | **202.5** |
| | | | | | | |
| 3. | **Dr. Renu Aggarwal** | **1**. Endodontic consideration for the usage of drugs in pregnant mothers. (Journal of Clinical and Diganostic Research) Vol 4 2010 | I | 1st | 2010 | 15 |
| | **Reader** | **2 .**Use of ultrasound, color Doppler imaging and radiography to monitor periapical healing after endodontic surgery.Journal of oral science,vol.52,no.3, 411-416,2010 | I | 6th | 2010 | 7.5 |
| | | **3.** Management of Acute Dental trauma – Avulsion and Extrucsive Luxation : A Case Report (Journal of Clinical and Diganostic Research vol 4 2010) | I | 3rd | 2010 | 7.5 |
| | | **4.** Xerostomia- Clinical Manifestation and its Management (BFUDJ, Vol 2 Number 2 October, 2011) | I | 5th | 2011 | 7.5 |
| | | **5**. Unusal anatomy of maxillary first molar with two palatal roots- confirmed with Computed Tomography:A case report.IJRD issue2,2013,91-94. | II | 1st | 2013 | 5 |
| | | **6**. Comparative evalutation of fracture resistance of various post system using different luting agents under tangential loading.Journal of Oral biology and Craniofacial research,3(2013) pg 63-67 | I | 6TH | 2013 | 7.5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | | | | | |
| | | **7**.Locating The hideen treasures in endodontics: Radix entamolaris: An Overview and A case report.<br>Indian Journal of Dental Sciences. Vol. 5(5) dec. 2013.<br>98-100 | I | 2nd | 2013 | 7.5 |
| | | **8**.ACephalometric evaluation of cases treated by fixed and functional appliances. J Clin Den Res Edu. July- Sept. 2013 Vol 2 (4).27-34 | I | 4th | 2013 | 7.5 |
| | | **9**. Aesthetic rehabilitation of bilateral fusion of maxillay lateral incisor with canine and both maxillary central incisors- A case report. BFUDJ vol4 (3)oct. 2013. | I | 2nd | 2013 | 7.5 |
| | | **10**.Antibiotic considerations in implant dentistry. BFUDJ vol4 (3)oct. 2013; 44-6 | I | 3rd | 2013 | 2.5 |
| | | **11.**Surgical management of infected radicular cyst with recurrent intraoral sinus- Acase report. JOUD mar- Apr 2014;3(1):24-6 | II | 4th | 2014 | 15 |
| | | **12.** Unusual Mandibular first premolar with two roots and three canals. J Cli Den Res Edu. Jan – Mar 2014; 70-2 | I | 1st | 2014 | 7.5 |
| | | **13**.Combined Nonsurgical and Surgical Endodontic Therapy in the treatment of Dens in Dente Type III with MTA Retroseal- A case report. Indian Journal of Dental Sciences. Vol. 6(1) Mar. 2014; 105-07 | I | 4th | 2014 | 2.5 |
| | | **14**. Biological Restoration-A case report .JOUD July-Dec 2014;3(2):25-26 | II | 4th | 2014 | 2.5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **15.**.Management of blunderbuss canal-a case report. JOUD July-Dec 2014; 3(2): 31-32 | II | 4th | 2014 | 7.5 |
| | | **16**An Interdisciplinary approach for restoring and function esthetics in a patient with worn out dentition: A clinical report I J Pre Clin Dent Res 2014;1(2); 64-67 | I | 4th | 2014 | 2.5 |
| | | **17**.Immediate single visit natural tooth pontic: a case report. Int J Dent HEALTH Sci 2015;2(1):241-247 | II | 4th | 2015 | 2.5 |
| | | **18**. Comparative evaluation of the amount of debris and irrigants extruded apically by different irrigating needles-an in-vitro study. Journal of advanced Medical and Dental sciences Research Jan-Mar 2015;3(1):45-50 | II | 4th | 2015 | 7.5 |
| | | **19**. Mouth Ulcers: A study where members of general population might seek advice; An indian scenario JCli Den Res Edu. Jan – Mar 2015 | I | 5th | 2015 | 2.5 |
| | | **20**.Reconstruction of a non-vital tooth with direct fibre re-inforced composite resin.JOUD, July- dec 2015,4(2),31-33 | II | 4TH | 2015 | 2.5 |
| | | **21**.A combined approach to restore a fractured tooth.reattachment and composite veneering.JOUD,july-dec,2015,4(2),44-45 | II | 2ND | 2015 | 2.5 |
| | | 22.Comparitive Evaluation of effect of different enamel preparations on fracture resistance of composite resin buildup of fractures involving dentine in anterior human teeth.JOUD 2015 | II | 4TH | 2015 | 7.5 |
| | | **23.**An evaluation of antibacterial efficacy of conventional intracanal medicaments and medicated guttapercha points at different time intervals against E.Faecalis : an in – vitro study.European Journal Of Biomedical And Pharmaceutical Sciences.2016,vol 3.issue 4,219-225. | I | 4TH | 2016 | 7.5 |
| | | **24**.The incidence of dentinal microcracks caused by hand versus different rotary instruments after biochemical preparation :an in –vitro study.World journal of pharmaceutical and Life sciences,2016,vol 2, issue 2,145-153 | I | 4TH | 2016 | 7.5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | **25**.An invitro comparative evaluation of sealing ability of resin modified glass inomer cement, mineral trioxide aggregate and biodentine as a furcation repair material: Analysis by confocal laser microscopy.JDMS,VOL 15,Issue 3,mar 2016,pp 26-30 | I | 4TH | 2016 | 7.5 |
| | | **26**.Apical extrusion of debris and irrigants: An unavoidable and inherent occurrence during root canal treatment: A Literature Review. JDMS VOL 15,ISSUE 3,MAR 2016, PP 16-20. | I | 4TH | 2016 | 7.5 |
| | | **27**.A comparative evaluation of water absorption of three different esthetic restorative materials- an in vitro study.JDMS,VOL 15,issue 3, mar 2016, pp21-24 | I | 4TH | 2016 | 7.5 |
| | | **28**.Diastema closure with all ceramic restorations : a case report .ejbps,2016,vol 3,issue3, 595-597. | I | 4TH | 2016 | 7.5 |
| | | **29**.Comparision of the cleaning efficacy of various rotary files protaperuniversal,hero shaper, revo-s and mtwo systems in the paical third of oval shaped canals.ejbps,2016,vol3,issue 3,151-155 | I | 4TH | 2016 | 7.5 |
| | | **TOTAL POINTS** | | | | **190** |
| | | | | | | |
| 4 | **Dr. Kanika Aggarwal** | 1.Trigeminalneuralgia:etiopathogenesis,diagnostic criteria and treatment modalities-a review.<br>Journal of advanced medical dental science 2013;1(2):106-111 | II | 5th | 2013 | 2.5 |
| | | 2.Bidirectional relationship between diabetes and periodontitis- a review<br>Online journal of biosciences and informatics vol 5, issue 1,2013 | II | 4th | 2013 | 2.5 |
| | | 3.Restoration of endodontically treated anterior teeth:A questionnaire study<br><br>Journal of international oral health;6(6);41-45 | I | 4th | 2014 | 7.5 |

| | | | | | | |
|---|---|---|---|---|---|---|
| | | 4.In vitro comparative analysis of fracture strength recovery of teeth restored with two different techniques:direct build up and reattachment of a segment Journal of advanced medical dental sciences 2014;2(1)5-9 | II | 3rd | 2014 | 2.5 |
| | | 5. In vitro comparative analyses of fracture strength recovery of teeth restored with two different techniques: direct buildup and reattachment of the segment | II | 5th | 2014 | 2.5 |
| | | 6. Immediate single visit natural tooth pontic: a case report. Int J Dent HEALTH Sci 2015;2(1):241-247 | II | 5th | 2015 | 2.5 |
| | | 7. An evaluation of antibacterial efficacy of conventional intracanal medicaments and medicated guttapercha points at different time intervals against E.Faecalis : an in –vitro study.European Journal Of Biomedical And Pharmaceutical Sciences.2016,vol 3.issue 4,219-225. | I | 5th | 2015 | 7.5 |
| | | 8.Comparative evaluation of the amount of debris and irrigants extruded apically by different irrigating needles-an in-vitro study. Journal of advanced Medical and Dental sciences Research Jan-Mar 2015;3(1):45-50 | II | 5th | 2015 | 2.5 |
| | | 9. The incidence of dentinal microcracks caused by hand versus different rotary instruments after biochemical preparation: an in –vitro study. World journal of pharmaceutical and Life sciences,2016,vol 2, issue 2,145-153 | I | 5th | 2016 | 7.5 |
| | | 10.An invitro comparative evaluation of sealing ability of resin modified glass inomer cement, mineral trioxide aggregate and biodentine as a furcation repair material: Analysis by confocal laser microscopy.JDMS,VOL 15,Issue 3,mar 2016,pp 26-30 | I | 5th | 2016 | 7.5 |
| | | 11. .Apical extrusion of debris and irrigants: An unavoidable and inherent occurrence during root canal treatment: A Literature Review. JDMS VOL 15,ISSUE 3,MAR 2016, PP 16-20 | I | 5th | 2016 | 7.5 |
| | | 12. A comparative evaluation of water absorption of three different esthetic restorative materials - an in vitro study.JDMS,VOL 15,issue 3, mar 2016, pp21-24 | I | 5th | 2016 | 7.5 |

| | | | | | | |
